Dear Fellow Voter,

When we cast our votes, we shape the future of our state.

But like you, I want to make sure that I have as much information as possible before I make such an important decision. I know that it can be very difficult to find information on the candidates and on the election process.

That's why I have created a new voter information source at www.myvotecounts.org.

This website contains vital information on the upcoming election and links to important sources where you can learn more about the candidates and issues. I hope you will visit www.myvotecounts.org and use the site as a resource before you vote.
